

IPSI-6 Public Forum

Introduction of Group Discussion

The Satoyama Initiative

- A global effort to realize “societies in harmony with nature”
- Promotes revitalization and sustainable management of “Socio-ecological Production Landscapes and Seascapes” around the world

Socio-ecological Production Landscapes and Seascapes (SEPLS)

- Support **biodiversity** while providing humans with the **goods and services** needed for their well-being
- **Mutual benefits** between human production and nature
- **Dynamic mosaics** of habitats and land uses
- Deeply linked to **local culture and knowledge**

The International Partnership for the Satoyama Initiative (IPSI)

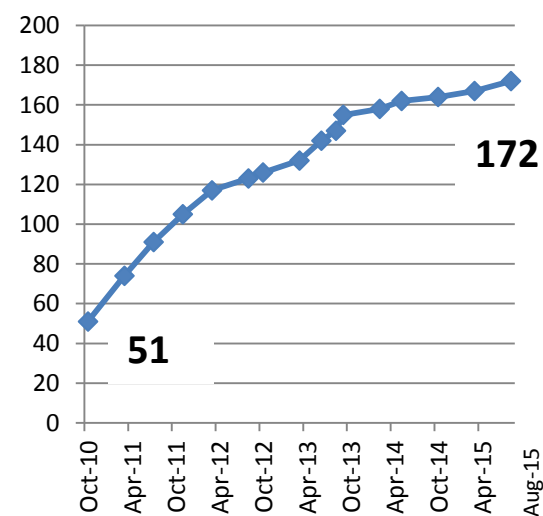

- Established in **October 2010** at **CBD COP10**
- For **facilitation of the activities** on SEPLS
- A **platform** for sharing knowledge and fostering synergies

The International Partnership for the Satoyama Initiative (IPSI)

Increase of IPSI members

- **Events:** IPSI Global Conferences and Regional Workshops
- **Knowledge sharing:** Case Studies from member organizations
- **On-the-ground activities:** IPSI Collaborative Activities
- **Others:** Indicators research, workshops and seminars, etc.

IPSI Public Forum

[Objectives of IPSI Public Forum: open to public]

- To strengthen collaboration and synergies
- To enhance understanding and raise awareness of the importance of SEPLS

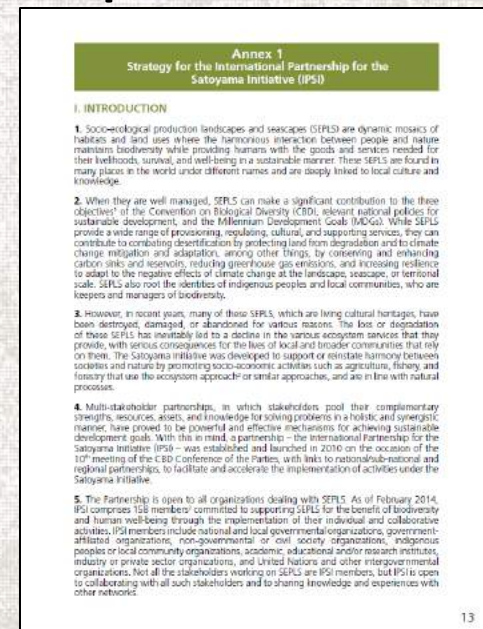

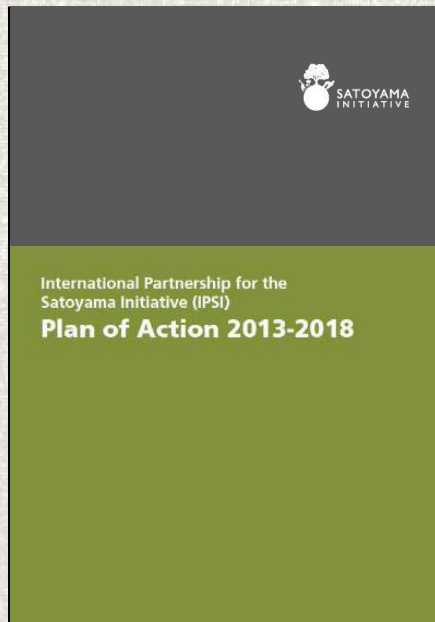

Contents

- IPSI Strategy and IPSI Plan of Action 2013-2018
- Explanation of Working Groups
- Schedule and Process

- Housekeeping Announcements

IPSI Strategy

- Created in 2012 by IPSI membership
- Provides strategic direction for IPSI
- Includes 4 IPSI Strategic Objectives
- Annex 1 in the “IPSI Plan of Action”, p. 13

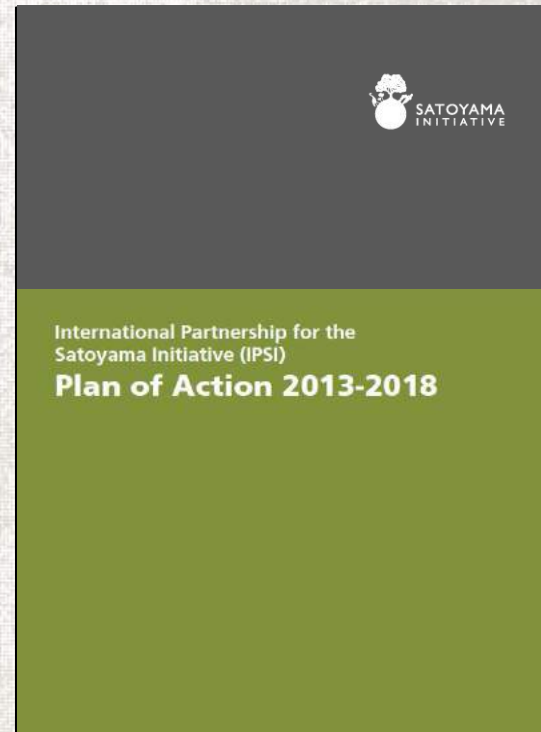

IPSI Strategic Objectives

1. **Increase knowledge and understanding** of SEPLS
2. **Address the direct and underlying causes** responsible for the decline or loss of biological and cultural diversity as well as ecological and socio-economic services in SEPLS
3. **Enhance benefits** from socio-ecological production landscapes and seascapes
4. **Enhance** the human, institutional and sustainable financial **capacities** for the implementation of the Satoyama Initiative and IPSI

IPSI Plan of Action 2013-2018

- Created in 2013 by IPSI membership
- Provides specific direction to implement the IPSI Strategy
- Contains Priority Actions for each Strategic Objective
- Also contains Planned Measures for implementation

IPSI Plan of Action 2013-2018

- **Interim Review:**
- Para. 36: “An interim review will be conducted three years into this timeframe, and a second evaluation will be conducted after the fifth year to determine the effectiveness of the Plan of Action. Lessons from the evaluation can feed into further development of the Plan of Action.”

IPSI Plan of Action 2013-2018

- **Interim Review:**
- **Process:**
 - Questionnaire *(submissions still welcome!)*
 - **Discussion at IPSI-6 Public Forum**
 - Creation of report by Secretariat
 - Incorporate results into future IPSI planning

Explanation of Working Groups

- **Public Forum Theme:**
 - “Planning and reviewing strategic actions for sustainable landscape and seascape management”
- **Goals for Plan of Action Interim Review**
 - Evaluate IPSI’s progress
 - Evaluate Plan of Action’s effectiveness
 - Provide input for further strategic development

Explanation of Working Groups

- **4 Working Groups:**
 - One group for each of IPSI's Strategic Objectives
- **Members**
 - 14-15 people per group
 - 2 facilitators, also note-taker, observers, etc.
 - 9 presentations in each group

Explanation of Working Groups

- **Group schedule:**

- Presentation (10 min)

- Q & A (5 min)

- *(repeat 9 times)*

- Wrap-up discussion

- Reach conclusions and produce presentation for Plenary

Explanation of Working Groups

- **Discussion points:**
- What kind of activities have members implemented toward the Priority Actions?
- How can each organization implement activities toward the Priority Actions further?
- Are there any suggestions on the current Plan of Action?

Explanation of Working Groups

- **Output:**
- Each group will create a presentation for Plenary tomorrow afternoon
- A volunteer from each group will present the group's results in Plenary (10 min)

Explanation of Working Groups

- **Day 2 Plenary (tomorrow afternoon):**
- Report from IPSI Secretariat
- Report from Group 1 (10 min)
- Additional information from Interim Review Questionnaire by IPSI Secretariat (10 min)
- Discussion (15 min)
- *(repeat 4 times for 4 groups)*
- Wrap-up

Process

- **Future Process:**
- Further analysis with more questionnaires
- **Submissions still welcome!**
- Official Report of this Public Forum
- Report on Plan of Action Interim Review
- Implementation of recommendations from Interim Review

Schedule

- **13 January (tomorrow)**
- 8:30 Working Groups begin
- 12:30 Lunch break (*complete presentation files*)
- 14:00 Plenary Day 2 begins
- 17:30 Closing

Schedule

- **14 January**
- Excursion
 - An explanation will be given during the Day 2 Plenary tomorrow afternoon

Housekeeping Announcements
