Manager,
Ecosystem Policy
CI Japan
GEF-Satoyama Project

Mainstreaming biodiversity conservation and sustainable management in priority Socio-ecological Production Landscapes and Seascapes

Project Vision: Society in harmony with nature, with sustainable primary production sector based on traditional and modern wisdom, and making significant contributions to global targets for conservation of biological diversity

Project Objective: To mainstream conservation and sustainable use of biodiversity and ecosystem services, while improving human well-being in priority Socio-ecological Production Landscapes and Seascapes
Aichi Biodiversity Targets

The Project is relevant and contribute to the achievement of:

BT 5: Reducing habitat loss
BT 7: Sustainably managed agriculture, aquaculture and forestry
BT 11: Protected areas; effective management and connectivity
BT 12: Prevention of species extinction
BT 14: Ecosystem restoration
BT 15: Ecosystem resilience and carbon stocks for CC mitigation and adaptation
BT 18: Traditional knowledge
BT 19: Knowledge and science base
BT 20: Resource mobilization
Component 1
--On-the-ground demonstration--
• Effective conservation management
• Biodiversity conservation
• Protection and use of traditional knowledge

Component 2
--Knowledge generation--
• Mapping of priority SEPLS
• Case study analysis (value recognition, TK, governance)

Component 3
--Capacity-building workshops and trainings--
• Dialogue among diverse stakeholders
• Training on Indicators of Resilience
Institutional Arrangement

CI-GEF Project Agency

Executive Team
- CI Japan (Executing Agency)
- IGES
- UNU-IAS

Advisors & Experts

Component 1
- FFI, IMPECT, TERI
- FIDES, AMPA, UIS
- WCS, Dahari, GIF, EPCO

Component 2
- Subgrant project proponents
- Data holders

Component 3
- IPSI Sec. and Steering Committee
- Association ANDES
- SCBD
- UNDP and others
Beyond the Project

- Project to produce successful cases and knowledge products that others can follow
- Scaling up at local and global level
- Stimulating the mobilization of resources to SEPLS
Thank you very much!
